Hi Valois –

I'm on the COOP team, so I'll need to be out at the lab. I haven't heard if we are doing a COOP exercise this year, but if we are I would not be able to attend. Let me ask Bert and I'll let you know what I find out.

Thanks!

Douglas just reminded me that June 14 is our COOP telework day. I don't think that will be a problem for holding this meeting, but I just wanted to check to be sure.

Does this day still work for everyone?

Thanks!

Valois
